### Buy with confidence

If you purchase our Service Agreement when you purchase your firearm, you can be confident that your firearm will serve you for as long as you own it.

We will repair, replace or refund (at our discretion) your firearm for as long as you own it should it fail for any reason other than abuse, negligence or improperly reloaded ammunition.

## Agreement Details

### Conditions

- ⦿ This Service Agreement is available on both new and Target World Certified Pre-Owned firearms.
- ⦿ This agreement applies for the original purchaser.
- ⦿ If the firearm cannot be repaired and no direct replacement is available, we will offer current retail value as a credit (amount to be determined by Target World) towards the purchase of any item(s) from us.
- ⦿ Target World will pay for all freight costs associated with a firearm factory warranty repair, replacement, or refund.
- ⦿ This agreement covers the firearm as originally sold, but does not extend to new or used guns altered or rebuilt after their original purchase. This agreement does NOT apply to scopes or other accessories attached to the firearm.
- ⦿ Accuracy and Night Sights are not included in this agreement.
- ⦿ Excludes rust due to neglect.
- ⦿ This Service Agreement covers the firearm against manufacturer's defects and the replacement of non-maintenance parts, but not the refinishing of parts that are subject to normal wear throughout the lifespan of the firearm.
- ⦿ If a firearm is repaired, it will be returned directly to the customer. However, if a firearm is replaced with a new or used firearm, the customer must take delivery of the replacement firearm from us on a new 4473 transfer. If the owner is no longer an Ohio resident, then the transfer must occur at a licensed FFL dealer. The customer may incur additional charges, such as shipping and transfer fees, from the transferring FFL dealer. Target World is not responsible for these additional fees.
- ⦿ Manufacturer always gets first option to repair or replace.
