NEXT LEVEL Self-Defense Handgun Training

The **NEXT LEVEL** Self-Defense Handgun classes pick up where your state required CCW training left off. If you're carrying a handgun for self-defense, these classes will help you get comfortable carrying your handgun, as well as help you develop the skills necessary to avoid a violent encounter, win a violent encounter and learn the legal issues associated with using a handgun in self-defense.

NEXT LEVEL I Cost: \$120

This class picks up where your CCW class left off. The training is a combination of classroom (Friday 4:30 -7:00PM) and range (Saturday morning 8:30 – 11:00AM) that focuses on the following knowledge/skills:

- How to identify and avoid a potentially violent threat
- Legal issues associated with carrying and using your handgun
- What to say to law enforcement if you have had to use your handgun in self-defense
- Concealed carry gear
- Gunfighting skills

Note: You **MUST** have a valid Ohio (or other state) Concealed Handgun License to participate in this class

2021 Dates: Jan 29/30, Mar 26/27, May 28/29, July 30/31, Sept 24/25, and Nov 26/27

NEXT LEVEL II Cost: \$60

This is a two-hour range class on Saturday mornings (8:30 – 11:00AM) for graduates of the NEXT LEVEL I training that allows you to practice and develop your self-defense shooting skills. You may take as many of the NEXT LEVEL II classes as you'd like.

- Practice shooting from concealment
- Shoot instructor-led drills
- Shoot self-defense scenario drills
- Shoot national law enforcement qualifications

Note: You **MUST** have completed the NEXT LEVEL I class to participate in this class

2021 Dates: Feb 20, Apr 17, Jun 19, Aug 21, Oct 23, and Dec 18

Equipment Requirements (What to Bring)

To participate in the **NEXT LEVEL** classes, you must have the following:

- Your Ohio (or other state) Concealed Handgun License
- Handgun (revolver or semi-automatic) that you are carrying regularly along with **at least 2 magazines** or speed loaders
- Holster (stiff leather or Kydex) that can be mounted on a belt – no pocket holsters. The Holster **cannot** collapse when you draw your handgun from it. (Retention holsters are **NOT** recommended for concealed carry.)
- At least one spare magazine pouch that can be mounted on a belt
- Sturdy gun belt (leather or webbing)
- Concealment garment typical of what you'll routinely be using to conceal your handgun
- Comfortable everyday clothes/shoes (no military/tactical/ninja gear unless that's what you wear everyday)
- **100 rounds** of full metal jacket (FMJ) ammunition (range ammo)
- Safety/shooting glasses and hearing protection
- Notebook and pen

Safety

No compromises here – this is the most important part of these classes. If you violate a safety rule during the class, your training is over.
