## **NEXT LEVEL CONCEALED CARRY TRAINING**

This is a six hour course offered the 3<sup>rd</sup> Friday/Saturday of each month. Three hours are spent in the classroom on Friday from 6:30 PM – 9:30 PM and Saturday is spent on the range from 7:30 AM- 10 AM. The course cost is \$95 per student and is designed to build upon the initial qualifying concealed carry course and covers a number of advanced topics for the CHL holder who wants to take his knowledge to the next level. Participants in the class must have a valid Concealed Handgun License (CHL). The training required by Ohio and most states is insufficient when it comes to the skills needed to actually carry, present, and use a concealed handgun in most self defense situations. FBI crime statistics indicate that there is a 1-in-4 chance that an individual will encounter a violent crime in their lifetime. When that event happens, it will most likely be over in seconds. The skills needed to survive a violent incident do not come with your concealed carry license – these skills are earned through additional training and practice.
