### Junior / Lady Shooters:

We ask that you all invite both Junior and Lady shooters into our sport. We know this is a heavily dominated man's world and we need more Ladies and Juniors to come and shoot with us. Make it a family day and join us for some friendly competition!

To see Target World's GSSF information page, visit [www.targetworld.info/leagues-fun-shoots](http://www.targetworld.info/leagues-fun-shoots).

Open invitation to join our IDPA shoots. We host IDPA every second and fourth Tuesday evening. Completely different than GSSF, this is a competition that will test you for potential "real world" instances as a conceal carry license holder. Drawing a handgun from concealment and addressing different stage designs while on the clock. These matches are also a ton of fun! Please reach out to me with questions that you may have!!

Sincerely,

Jon Villing, Sales Manager/Match Director
